Hit Again

"Tax rebel and best-selling author Irwin Schiff, just sentenced to a three-year prison term for tax evasion, got another legal blow: A federal appellate court upheld the dismissal of his suit against his publisher for turning his royalties over to the Internal Revenue Service to satisfy a tax lien.

"Schiff, author of *How Anyone Can Stop Paying Taxes*, lost $135,000 of $197,000 in royalties from the publishing firm of Simon & Schuster, which paid the money to the IRS instead."
